Via Diogene Valotti 3b, 25133, Brescia, Italy
Località Lucchina 3, 25010, Pozzolengo, Italy

About me: I am a master's degree student in Computer Engineering with a hands-on experience thanks to some jobs in this sector carried out during the bachelor's degree. I am also president of a hackerspace, after some years as vice, and this helped me to broaden the view on the context and to improve my management skills. I am looking for an internship opportunity to be carried out simultaneously with my last university year

WORK EXPERIENCE

01/01/2020 – CURRENT
PRESIDENT – MuHack

Muhack's President.
Muhack is the a legit student association inside University of Brescia and it is the first hackerspace in Brescia.

www.muhack.org

Brescia

● ORGANISATIONAL SKILLS

Organisational skills

Good organizational skills as the result of experience within teams and associations where I was responsible for organizing and managing events, group work, etc.

I developed some critical situation management skills and improved leadership as a result of my experience as a football referee and president for MuHack.

● COMMUNICATION AND INTERPERSONAL SKILLS

Communication and interpersonal skills

ENGLISH
Discrete communication skills, although limited in basic vocabulary and pronunciation. It is determined by school experience and trips abroad for sport, school or hobby.

Furthermore, the frequent reading of American magazines (TIME) has allowed me to broaden my vocabulary with medical, commercial and IT expressions.
